Terms and Conditions

1. Only companies/firms/individuals with a requirement to dispose of in excess of 1000 tonnes of VENM or companies/firms/individuals with a requirement to dispose of BRM (as approved by the Environmental Protection Authority) can apply.
2. Only soil that meets the classification as detailed above will be accepted under this arrangement.
3. Applicant must ensure that its Transporter’s vehicles present at the weighbridge prior to unloading (tare in) and re-present after unloading (tare out).
4. Transporter’s drivers must comply with all reasonable directions provided by ACT Recycling Pty Ltd staff. Failure to comply may result in cancellation of the Application approval.
5. Cancellation of the Application approval shall be at the sole discretion of ACT Recycling Pty Ltd.
6. The only acceptable form of payment is cash, credit card or by account.
7. Applicants wishing to establish an account with ACT Recycling Pty Ltd need to complete and account application form and should allow a minimum of 72-hours for the application to be considered.
8. A minimum of 48 hours notice is required in order to process the Application for the Disposal of VENM/BRU form.
9. Upon completion, the form must be faxed to ACT Recycling at (02) 6239 6342 or presented in person at Mugga Lane RMC Symonston ACT or email to peterp@actrecycling.com.au for processing. Application forms will not be accepted by the Weighbridge Operators.
10. Customers may not access the facility until they have received a signed copy of this form marked “Approved” by ACT Recycling Pty Ltd.
11. _____ (name of company) acknowledges and agrees that the current rate of \$4.40/ (incl. GST) per tonne fee for the disposal of VENM applies only to quantities of soil in excess 1000 tonnes, which must be delivered in the nominated timeframe.
12. _____ (name of company) acknowledges and agrees that in the event the minimum tonnage of VENM is not delivered (1000tonnes) within the prescribed timeframe that it will be liable for payment of the current rate of \$9.90 (incl. GST) per tonne, which equates to an additional \$5.50 (incl. GST) per tonne.
13. _____ (name of company) indemnifies the Territory, its employees and agents and Samarkos Earthmoving Pty Ltd t/a ACT Recycling Pty Ltd its employees and agents against any liability in respect to the removal, cleanup and remediation cost in the event that the material delivered under this agreement is subsequently identified after disposal as being unacceptable.
14. _____ (name of company) acknowledge and agrees that in the event the material delivered is assessed as unacceptable and is not removed within five (5) working days that Samarkos Earthmoving t/a ACT Recycling Pty Ltd may arrange for the removal of the material with all costs to be borne by the Applicant.

As the duly authorised agent to _____ (name of company), I certify the above information to be true and correct, and accept without reservation the terms and conditions as described.
